Enhanced Durability and Strength

Triple rear door hinges for stability. Bonded recessed windows for a seamless, durable design.

Durable powder-coat finish for a tough, scratch-resistant exterior.

KEY FEATURES

Lightweight and High Load Capacity

Lightweight cap starting at 170 lbs for optimal performance.

High dynamic load capacity supports up to 770 lbs.

Why Choose Armour Caps?

Non-Modular Design:

Purpose-built as a single, solid unit for enhanced strength, durability, and water resistance – no rattles, no weak points.

Unmatched Durability

Built with premium-grade stainless steel, our caps are designed to withstand harsh conditions, offering unmatched strength and longevity.

Custom Fit

Perfectly engineered for popular truck models, ensuring a sleek, factory-like fit.

Weatherproof Protection

Keep your gear safe and dry, no matter the environment.

Fast & Efficient Fitment:

Less than 60 minutes required for fitment.

Versatile Design

Ideal for work, play, and overlanding, Armour Caps can handle it all.

Streamlined Design

Hidden hinges for a clean look.

Oversized push locks for quick and secure access.

KEY FEATURES

Safety and Visibility

Shatter-resistant glass for added durability.

Integrated LED brake light for improved visibility.
(available on select models).

Convenient
Access Features

Gull-wing side doors for easy loading and unloading.

Dual gas struts on each door for smooth operation.

KEY FEATURES

Clean and
Dust-Free Interior

Positive pressure air vent to keep dust and debris out.

TOP UP ACCESSORIES

PLATFORM RACK

This platform rack is incredibly strong while remaining lightweight, featuring plenty of mounting points for all your gear.

CAVITY

A durable storage cavity designed to keep your gear and belongings secure and organized. Built for convenience, it offers a reliable solution for stashing essentials while on the go.

SIDE SLIDING WINDOW SET

Upgrade your cap with a side sliding window set for added convenience and ventilation.

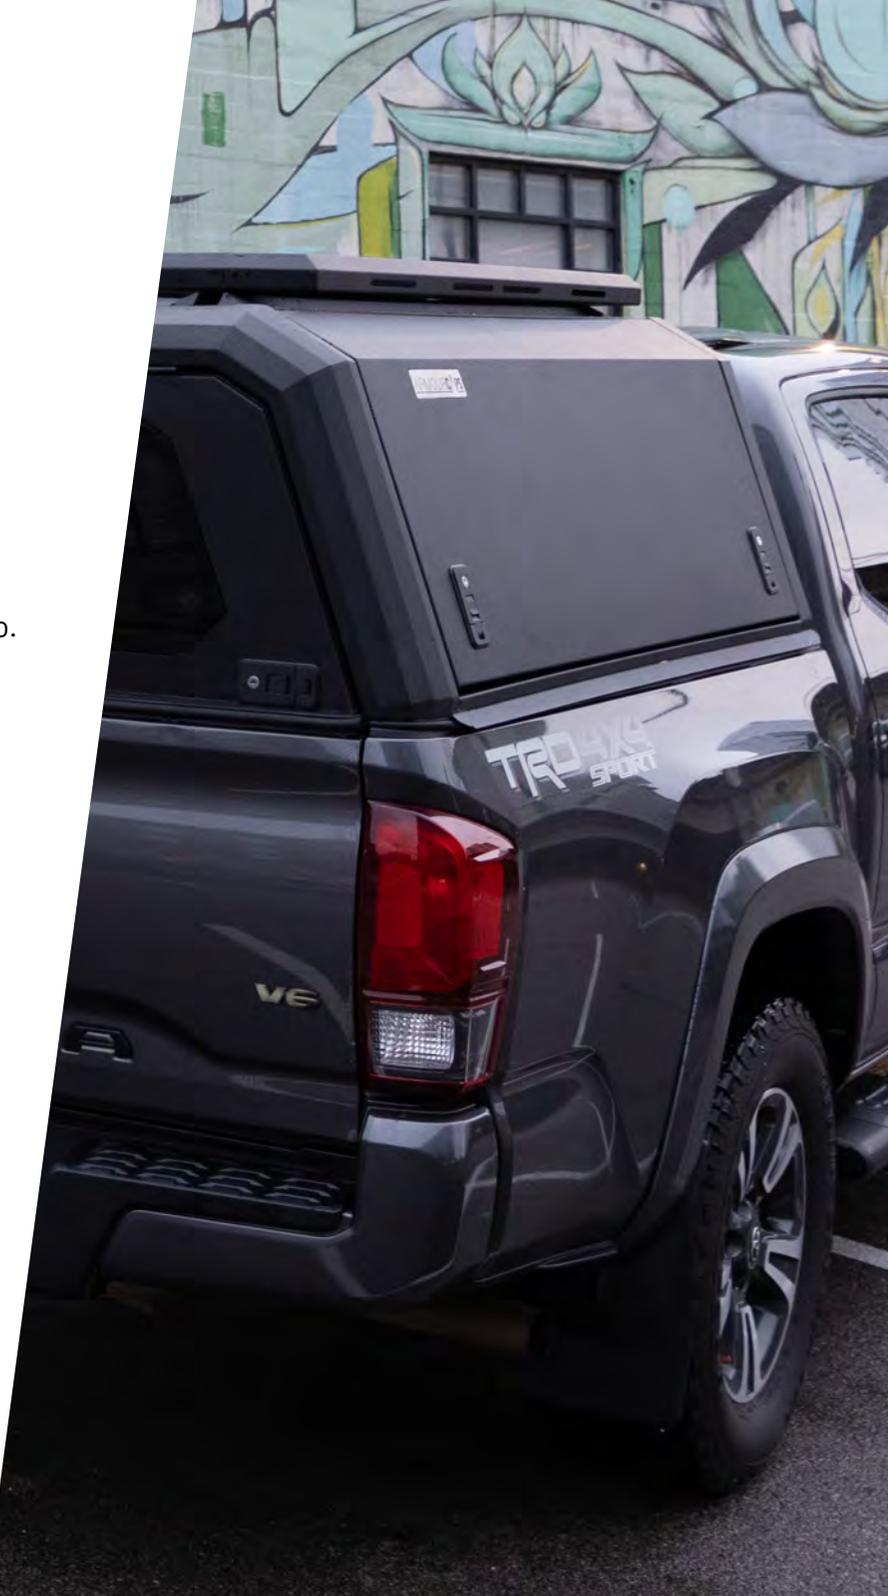

ROOF-MOUNTED TABLE

Easily store your camping table with our convenient Roof-Mounted Table Brackets.

4 PC KITCHEN UNIT WITH DROP DOWN TABLE

Turn your truck into the ultimate basecamp. Our 4-piece kitchen unit is designed for convenience, durability, and seamless travel.
